

# BECOME THE KEY INFLUENCE OF YOUR FUTURE

## YrSAFER® Steps to Accelerate Your Safety and Wellbeing

Your experiences from Domestic & Family Violence, Sexual Harassment & Bullying recognised and acknowledged  
Expert, appropriate and respectful responses are critical to the future of your safety and wellbeing. We specialise in kindness & care.

*Reducing harm and preventing conflict (non-physical & physical)*

### Safety Management

Ongoing home and workplace risk assessments, safety planning and actions.

### Action Plans

Creating customised plans with you, to achieve your goals at your pace. We take each step with you, so you are not alone and feel safer at home and work.

### Focus on Family, Friends Work & Home Safety

Strengthening family and friend responses.  
Personal security reviewed and improved.

### Evidence

Evidence gathering and reporting to prove your experiences. Record your circumstances with expert help so you only need to describe your situation in detail once.

### Road Map

Day to day personal support for you to navigate complex situations and processes.
